5. Next week starts the process of our annual **Community Service Day** in December. This year, this event will be on Thursday, December 15th. Every student and staff member in the middle school will be assigned to assist the community on this day. Whether you complete activities at the school or go out into the community on that day, we are making a positive influence on others. It is a day where we give back to the communities around us and hope to use this day to do the same in our future. Next week, in your MTSS class, you will receive a google form to complete for CSD. This form is important to complete when it is your turn to do so. 6th graders will complete the form on Tuesday during MTSS, 7th graders will complete the form on Wednesday during MTSS, and 8th graders will complete the form on Thursday during MTSS. If you are absent one of those days, be sure to get with your MTSS teacher to complete the google form. This day is not about us. It is about what we do for others. There will be more information coming soon! Have a great day everyone!
