What is MTSS?

All students will have MTSS. During this time students will participate in remediation or enrichment activities.

How do I know what content is covered in each elective course?

S-DMS has compiled a short video which describes what is covered in each elective course (Art, Choir, FACS, etc) The video can be found on our school website: <http://sdms.sunmandearborn.k12.in.us/>

What is the difference between a semester, full year, and 9 weeks course?

Full year courses: are classes which meet every day all year (180 days)

Semester courses: are classes which meet every day for half of the year (90 days). Semester classes run either from August through December or January through May.

9 week courses (PE & Exploring College/Careers ONLY): are classes which meet every day for 9 weeks (45 days). These courses may meet 1st, 2nd, 3rd, or 4th quarter.

Do I have to take Exploring College & Careers and/or Reading?

Yes. S-DMS is committed to providing the best academic preparation for your student's high school career. Exploring college & careers, and literacy skills are both areas which are critical. Regardless of current proficiency level, all students can improve upon literacy skills.

When will I receive my schedule?

Distribution of schedules have not yet been determined.

Will I get all of my elective choices?

We hope, however nothing is guaranteed. We ask that you take your alternate choices seriously, and sign up for courses you would like to take. If you do not sign up for an alternate class, and your elective choice does not work, we will select course(s) for you.
